Welcome to Sullivan! The new granite sign for the town is now up and can be seen just as you come over the bridge from Hancock. Crafted by Gibran and Alyssa Buell of Creative Stone, the sign consists of 5 tons of Sullivan’s own granite as a nod to the town’s history, which is rich in quarries. Gibran grew up on one of those quarries, and has been working with the stone for decades. The schooner on the sign was originally designed by his late mother, the artist Elizabeth Buell, for the Sullivan-Sorrento Historical Society, and it features into the Town Crier’s letterhead as well. We are grateful for the Buells’ timeless contributions to Sullivan, and this impressive monument will stand for generations to come.

ELECTION DAY IS NOVEMBER 6th—don’t forget to come in and vote! Polls are open 8am to 8pm!

Maine voters will answer Yes or No to citizen initiative and bond questions:
- There is one initiative—voters choose whether to pass a new law.
- There are four bond questions—voters decide if the state can borrow money to pay for certain projects.
- There are local issues in some towns.

On Election Day, Maine voters will choose:
- Maine Governor
- U.S. Senator
- U.S. Representative
- State Senator
- State Representative
- Officials for county offices
- Officials for local offices in some towns

VOTE at the SULLIVAN TOWN OFFICE 11/6
The Historical Society would like to note an error made by the Town Crier in October’s issue. In the article about Nelly Butler’s ghost, the neighbor’s name was Abner Blaisdell, not Albert.

The Society is now closed for the season. For any questions or inquiries, please contact Gary or Jeanne Edwards at 422-0995 or info@sullivansorrentohistory.org.

Selectman’s Minutes for October 15, 2018 (DRAFT)

Selectmen voted 2-0 to approve the Treasurers Warrant.
Selectmen approved by a 2-0 vote (1) concealed weapon permit for Paul J. Martin
Selectmen approved by a 2-0 vote the General Assistance Appendices for GA 2018-2019 rates as re- quired by the State of Maine.

The Fire Department has purchased our new Rescue Truck (ambulance body) from Northeast Harbor. The purchase had been previously approved. The purchase price was $10,000.00. It appears to be a very good deal for Sullivan as it is insured at a replacement cost of $34,500.00. The condition of the truck is immaculate and we anticipate many years of reliable service.

Kayden Quinn who recently graduated from Sumner and the Fire Academy is now in EMT training.

Town Manager reports that debit/credit cards are now accepted at the Town Office. Online registration will be available November 1. Rob also reported that the TRIO Municipal Accounting system will be in full use within weeks. This will improve our ability to generate reports for Maine and Sullivan as we budget for the future.

Harbor Committee reported on plans to do minor repairs at Gordon’s Wharf next Spring to ensure the float is in the water at the earliest possible date. Gib and Obie Buell have agreed to assist with the work to be done.

Sullivan, through the MRC has a deal to continue delivering waste to Juniper Ridge Landfill while we await the opening of Fibergight. We will begin a recycling program for clothing at the Transfer Station in November. This will be done at no cost to Sullivan.

Town Manager also reported on the efforts of the CEO and Sullivan to address concerns of junk, property val- ues and a large volume of building permits. A consider- ation of increased CEO hours may be necessary when preparing our next annual budget.

Town Manager also reported on three trailers sold by the town to Walter Guyette. They had been used for recycling but are no longer viable. One trailer is road- worthy, two are not. We received $3200.00 for the trailers from Mr. Guyette in July. Proceeds remain for further need/use at the Transfer Station.

Town Manager reports that we have applied for and received our own Speed Sign. There is no cost to Sulli- van. We will identify 4-6 locations for mounting the sign and it will be moved monthly during the summer. It will record vehicle speeds and we will share that infor- mation with county and state law enforcement.

In other discussion, Mr. Robert Surette expressed apprecia- tion for the new Welcome to Sullivan sign and en- couraged us to continue our efforts to “clean-up” prop- erties that have lingering problems with front yard de-bris like couches, toilets, tires, metal junk and garbage. Don Snoke brought Stewart Thompson to the meeting to discuss Sullivan options for growth or expansion at Fire Station 2 on Tunk Lake Rd. This is part of an on- going discussion about sensible, secure placement of Sullivan Emergency Services and our Town Office.

By unanimous vote the meeting was adjourned at 6:20pm. The next Selectmen’s Meeting was incorrectly scheduled for November 12. Due to observance of Vet- eran’s Day the meeting is at 5:00pm on Monday, November 19.

The Town of Sullivan would like to give heartfelt thanks to Helen D. Gordon for her many years of service in the town office, and for her continued support and training. Her invaluable experience with taxes has helped many a citizen through the years, and we are very grateful for her in helping Sullivan be all that it can be.

Thank you, Helen!
