**Sullivan Has a New Town Clerk!**

Please join us in welcoming our new Town Clerk, Deana Workman. Deana (pronounced Dee-Na) started as Town Clerk on Monday, July 13, 2020. She has over 9+ years of experience in municipal government.

Her first week as the new Town Clerk has been extremely busy with the July 14th Elections and meeting the needs of the residents of Sullivan. She entered her initials into the computer and jumped right in and has received a warm welcome from those she has met so far. There is something new to learn everyday and she likes the variety of work.

Deana has two adult sons and lives in Gouldsboro with her cat, Echo. Please take the time to welcome Deana as your new Sullivan Town Clerk!

---

**Sullivan Daze 2020 Cancelled**

It is with deep sadness that Sullivan Fire Rescue announces we will not be hosting our annual Sullivan Daze event this year.

With the COVID-19 pandemic still a concern, we feel it is best to cancel Sullivan Daze this year in the interest of the public health and safety. Please know that this decision was not made lightly, however, we feel it is truly the safest option.

All of us at Sullivan Fire Rescue appreciate the support Sullivan Daze has had from the community year after year. We are in hopes we can continue with the tradition next year.

Sullivan Daze is the department’s largest fundraising effort every year. Without the funds raised from Sullivan Daze, we would not have been able to purchase some of the equipment we currently use on a regular basis. If you would like to donate, you may drop off or mail your donation to the Town Office. Thank you all for your continued support. Please know that Sullivan Fire Rescue is here when you need us! Stay safe and stay healthy!

Our August 5th meeting will again be via ZOOM at 9am. Connection information will be posted to our Facebook page and webpage. Our guest speaker will be Robin Barron on the topic of Home Share Downeast and Acadia, based on the model created by Home Share Vermont.

Welcome to the second season for our Sullivan Community Garden! We have added two new raised beds this season, which will be planted shortly. Thank you to our many volunteers keeping our organic garden replenished, weeded, watered and harvested. Fresh produce is placed in the coolers and on the table in the hallway of the Town Office. Please share with anyone in need of some fresh veggies, especially our older adults and children. If your garden is plentiful, you are welcome to bring any excess to share with your neighbors by adding it to the table or cooler.

We hope you are enjoying your birthday cards from our Sullivan Circle of Friends. Thank you to our team of volunteers sending 75-90 cards each month. If we missed your birthday (we are so sorry), please email candyeaton@yahoo.com to be added to our list.

The next time you attend a meeting at the Town Office, check out the new banquet chairs purchased for your comfort. We ordered these for our Bone Builders classes, and look forward to the Fall when we may be able to resume this wonderful program.

The University of Maine offers a weekly online series, titled Health Connections Chat. To participate in these free sessions, contact Kelley Morris at kelley.morris@maine.edu or 207.262.7925. Here are some of the upcoming topics:

- August 5th: The Importance of Sleep in Maintaining Health
- August 12th: Everything You Always Wanted to Know About Home Health Care
- August 19th: Dealing with Vision Loss
- August 26th: Using In-patient and Out-patient Services During a Pandemic
- September 2nd: Advocacy Techniques for Every Person During the Pandemic

Candidates personal opinions and responses to the Selectman’s Election below.

Thank you to the Sullivan residents who came out to vote! I look forward to serving the next three years and improving the Town of Sullivan.

— Russell “Rusty” Gordon

I would like to thank all the great Sullivan Residents who supported me in my candidacy for the position as I was prepared to put Sullivan Maine on the map as the best place in the world for families. Over 48% of the registered voters participated in this primary election. I would like to think that my run had sparked interest in our town politics that has been void of public involvement for too long. Our Selectmen are in desperate need of new ideas from new faces. It is my belief that the Selectmen are there to make the best decisions fairly for all people in Sullivan. The Selectmen are faced with Sullivan ordinances that are out of date, poorly written, unenforceable and has pitting resident against resident. The Selectmen have known this as well as the town violates it’s own ordinance routinely. The Selectmen are not a complaint desk and should not reject debate nor control narrative. Openness and transparency should introduce new ideas and I call on all of the newly interested voters to lend there talents in any form shape and matter. I call this a wake up call for Sullivan citizens to help its own as well as it’s Selectmen.

Congratulations to Russell Gordon in his win for the next three year term as Selectman for all the people in Sullivan Maine, you dodged this one Rusty. Good Luck and thank you all Sullivan residents.

— John Keenan

AGE-FRIENDLY SULLIVAN UPDATE

Our August 5th meeting will again be via ZOOM at 9am. Connection information will be posted to our Facebook page and webpage. Our guest speaker will be Robin Barron on the topic of Home Share Downeast and Acadia, based on the model created by Home Share Vermont.

Selectman’s Minutes for July 13, 2020 (draft)

Call to Order
Discussion about previous meeting without initial Zoom access and action. Selectman Wakefield made a motion to approve the 5/11, 5/26 and 6/8 meeting minutes. Selectman Gordon seconded and the vote was 3-0 unanimously. The selectmen agreed that the two items that were voted on at the June 8th meeting were null and void due to the tech error with Zoom. Selectman Wakefield made a motion to deny the Tax Abatement for James & Deborah Knowlton property at 2211 US Highway 1, which was seconded by Selectman Gordon and the vote was 3-0 unanimously denied. Selectman Wakefield made a motion to hold town meeting on August 24th, seconded by Selectman Gordon and the vote was 3-0 unanimously. Discussion was held regarding a Selectmen’s Budget Workshop for Monday, July 20th at 5:00 p.m. to review the Budget to present to the Budget Committee. There should also be an update on the HCPC and EMDC regarding the Comprehensive Plan. Treasurer’s Warrant – Warrants for 6/30 and 7/10 were reviewed and approved. Agenda Adjustments – Discussion re: Budget Expense Summary, Don Snoke re: Broadband and the Boyer letter.

Old Business
Annual Town Meeting – See above. The Town Manager was directed to check if the Soccer Field has lighting.

Budget Timeline/ Budget Committee Meeting Dates – Discussed were possible dates for Budget Committee meetings, the date Annual Report will be ready to distribution, and Town Meeting date.

July 14 Voting Day – Town office is ready for voting, with set up and social distancing measures in place to ensure safe voting.

Personnel Policies -Personnel Policy will be redistributed for discussion at the August Selectmen’s Meeting.

Reports
Harbor Committee -Discussed were the preliminary survey plan completed by Malcom Harriman and that the grant for work at the Town Landing was approved. Also noted was that Dana Morse of the Maine Sea Grant College Program would like to hold a class on aquaculture training called “Aquaculture in Shared Waters” in the meeting room at the Town Office.

Town Manager – Rob Marshall has been on Tunk Lake cutting a tree that was sticking out in the roadway. Selectman Gordon made arrangements to have the redone culverts paved on Morancy. Morton Salt has been contacted to deliver 150 tons of salt.
**Continued from Page 3**

Sullivan Fire and Rescue – Brief discussion was held regarding the Fire/Rescue Budget, the proposed revisions to the On-Call process and the draft revision of the Fire Department Ordinance. It was agreed to table these until all Selectmen can review them. The Town Manager was instructed to contact Dead River for quotes on a furnace for Fire Station #1.

**New Business**

Dan Micalizzi – Manor Inn Incident – The Selectmen reviewed a letter from Colby Micalizzi and Seth Boyer, two of the four who were involved in the Manor Inn incident. Mr. Micalizzi and Mr. Boyer are asking for forgiveness and having the charges dropped. After discussion, Selectman Wakefield made a motion that the two men do community service work i.e. boarding up town buildings, with each man completing 20 hours of work and charges will be dropped upon completion of said work. This was seconded by Selectman Gordon and passed 3-0 unanimously. The Town Manager was instructed to contact Deputy Travis Frost regarding this decision.

Broadband Committee Report – Don reported that 40 people responded to the survey, 30 used Consolidated and 10 used Spectrum. Spectrum has been approached requesting proposals for neighborhoods where there are no Spectrum cables and that some people did not know that Spectrum service is available. Also Consolidated has some program that assists low income people a substantial subsidy in their services. Don will put something in the August Town Crier.

**Public Comment**

After difficulty with audio on his end, John Keenan was able to use the Zoom chat to communicate to the Selectmen his concern and questioned why Selectman Gordon was at the meeting and participating as a Selectman when his term expired the end of June. The Governor, Janet Mills signed an executive order on June 3rd (No. 56 FY 19/20 – 1. ORDERS, C).

Michael Pinkham reported the cable is down at the Transfer Station.

Ryan Daley commented that Spectrum covers up to $5000 of construction of cables to businesses.

Age Friendly and Broadband Reports be on the Agenda each meeting.

Selectmen’s Budget Workshop on Monday, July 20th at 5:00 p.m.

**Adjournment**

Selectman Gordon made a motion to adjourn, seconded by Roger, passed 3-0 unanimously and the meeting was adjourned at 7:10 pm

**July 20 Workshop Minutes** – Selectmen reviewed and discussed the 20-21FY Budget and recommended it be presented to the Budget Committee July 22nd. DRAFT

**July 22 Minutes** – Selectmen and Budget Committee met and requested additional information and clarification. Budget Committee will meet again on July 30th. DRAFT

**July 30 Minutes** – Selectmen and Budget Committee met, approved, and recommended that the 20-21FY Budget be presented and voted on at the Annual Town Meeting. DRAFT
High-Speed Internet Report

Our survey of Sullivan’s internet broadband services last month revealed two important findings.

First, most of Sullivan already has the infrastructure for high-speed internet in place. Most residents using Spectrum’s basic internet service are seeing download speeds of 95 to 116 mbs. This basic service costs $50/month, plus tax. Higher tiers of service can provide 400 mbs for $70, and 940 mbs for $110. In contrast, Consolidated’s DSL service only delivers download speeds of about 2 mbs for $50, and does not offer higher tiers of service.

Second, many Sullivan residents do not know that Spectrum’s service is available. Why would somebody pay $50 to Consolidated when they can get internet service that is fifty times faster from Spectrum for the same price? The answer is that Spectrum has incorrectly told them that Spectrum’s service is not available at their location. Apparently, when Time-Warner completed installation of their fiber-optic cables across town several years ago, they did not update their records or notify residents of the new facilities. When Spectrum acquired Time-Warner, they inherited that obsolete database, and queries to the Spectrum web site often incorrectly return “service not available at your locations.” Also, existing TWC/Spectrum customers were never notified that they need to trade in their older modems to be able to exploit the faster speeds.

The table below lists the Sullivan neighborhoods that have Spectrum fiber-optic cables on the utility poles. If you live in any of these areas, you should be able to order Spectrum internet service at www.spectrum.com/internet, or at 855-261-7122. If you have trouble placing your order, write to Don Snoke at dsnoke@roadrunner.com. It is not necessary to buy Spectrum’s cable TV service, and with the internet service you will be able to receive streaming TV channels like Netflix and Hulu.

Roadside Mowing will begin August 1st, 2020 (excluding US Highway 1 and the Bert Gray Road).
If you DON’T want an area mowed, please mark it!

The Town would like to thank whomever appears to have repaired one of the small baskets at the playground. Will the other rim be coming back?

Also, we will be purchasing a supply of nets that will be kept at the Town Office.

Sullivan Annual Town Meeting will be held
August 24, 2020
Tentative start time is 6pm.
Location: Sumner Memorial High School Soccer Field

The following item will be on the agenda at the Annual Town Meeting and will be voted on.

Sullivan Fire Rescue
Request for Paid-on-Call Shift Funding
8 Hours of Coverage / 7 Nights a Week.
(Sept. 1, 2020—June 30, 2021)

Paid-on Call Shift Funding Request ($64.48 per 305 nights): $19,667
Stipend Funding (not used towards call shifts): $5,000
Total Payroll Line Item Funding Request: $24,667

Key Points of Proposal
- This funding would pay 2 people on call for 8 hours per night at a rate of $4.03/hr per person.
- Both a firefighter and EMT on call allows the department to adequately respond to any emergency
- Would take effect on September 1st, 2020 to align with starting after approval at Town Meeting.

Goals of Proposal
- Allow for better recruitment, which has been a challenge in the past.
- Allow for better retention among the current membership and any new members.
- Make responding to calls safer where two people would be responding every time.
- Provide a better overall service to the community that we serve.
Summer Update

Because of the COVID-19 situation, not much at the Sullivan-Sorrento Historical Society (S-SHS) can be considered normal:

- All of our Bi-Centennial programs, except the Historic House Project, have been cancelled or re-scheduled to 2021
- Our annual newsletter will go out as soon as it is safe to put it together and mail it.
- The Archive/museum will not have regular hours but individual visits may be scheduled by calling us at 422-0995 or e-mail at gandjedwards@gwi.net.

On a more positive note:

- Urann House project—We recently received a grant from the Davis Family Foundation of $8,000 for continued work on the project.
- The annual Hotson scholarship to a Sumner Senior was given to Sydnie Cunningham.
- The best news of the year is the Society being chosen as a host site in the Island Institute Island Fellow program.

In mid March S-SHS applied to the Institute to be a host site, and on April first we were notified of our acceptance as one of four host sites to be named in this year’s cycle. Information provided by the Institute states: “The Island Fellows Program is one of the signature programs of the Island Institute. Since 1999, the Island Fellows Program has placed college and master’s degree graduates in Maine’s coastal and year-round island communities for one to two years. Fellowships provide a unique opportunity for recent graduates to apply their skills and gain experience helping to build sustainability within communities whose way of life and identity face many challenges.”

On September first Raina Sciocchetti will begin working with S-SHS as an Island Fellow employed by the Island Institute. Raina comes from California and has been in Maine to attend Unity College, where she recently graduated. She will be working with us on a three-quarter time schedule. She will be assisting with on-going projects and services. We hope to use her skills and time to improve our social media presence, do more community outreach, especially with the schools and young folks, and work with partner organizations to improve and market services in our region, increase membership and to recruit and support volunteers to help with our mission.

The program comes with a cash match. Donations to help with that would be greatly appreciated. The cash match helps cover housing costs. We can offset some of those costs if we find local opportunities such as house sitting, offering rental space through the winter or year round at reduced rates, or other opportunities to lower the costs of the program.

More on the historic house project: We contacted as many early homes as we could think of and received replies from about a dozen who wanted to participate. They have filled out a questionnaire and are working with S-SHS volunteers to explore the history of their home. Research efforts have been hampered by resources being unavailable due to COVID-19. Plans include some sort of signage, inclusion on our web site and other historical publications for those who want it.

Continued on Page 8
Cemeteries – A Link To Our History

The Town of Sullivan has at least 18 known cemeteries. Some are owned and maintained by the town, some are owned and maintained by a private organization and many are old family plots situated on private land.

These properties are a major source of information on local and family histories. As an organization the Sullivan-Sorrento Historical Society (S-SHS) is often called upon to help do research for local residents, folks who used to live here or descendants of local families looking into their family history. That research often depends on the information in cemetery records and on grave markers. Maintaining these records and the cemeteries themselves is a major challenge.

Do you know that:

- The State of Maine has Statutes outlining rules and regulations for the owners of cemeteries: including “Ancient Burial Ground” defined as being established prior to 1883; the care of veteran’s graves back to the revolutionary war and the managing of funds taken in for the care of cemeteries.
- It is mandatory to obtain a burial permit from the Town before any interment—including cremated remains.
- There is a Town cemetery committee, which has not been active in recent years.
- Towns are responsible for maintaining veteran’s graves in both public and private cemeteries.

S-SHS would like to help (or is helping) with the revitalization of the cemetery committee to find ways and resources to better maintain the cemeteries and burial records.

If anyone is interested in serving on the committee or you just want more information, you may contact the Sullivan-Sorrento Historical Society at info@sullivansorrentohistory.org or 422-0995; or contact the Town office.

---

Housing Needed for Our Island Fellow

S-SHS and the Island Institute are looking for housing opportunities for our Island Fellow, who will be starting work in September (see previous page).

A furnished rental space, a house sitting situation or any combination is acceptable. Contact S-SHS at info@sullivansorrentohistory.org or 422-0995 if you may be able to help. Seasonal solutions may be viable. Low rent or donated space can reduce our cash match.
News for August

Due to the recent outbreak of active Covid cases in Hancock, the library will be going back to curbside service effective August 1st. Curbside hours will be Mondays from 2 to 6 and Saturdays from 10 to 2. You may call and request book, and we will have them ready for you to pick up. For everyone’s safety, when books are returned, they are quarantined for a week. All safety precautions are being followed.

You can access the library catalog of books via instructions on our website. Or you can contact us by email, and we will send you the instructions. So far Interlibrary Loan Services are still available. The process of getting books is longer now, so emailing us with your requests may speed things up a bit.

We will post new book arrivals on Facebook. Contact us via email if you would like to be added to our email list. fbaylibrary2017@gmail.com. Stay safe everyone. We will all get through this together.

Phone: 422-2307
E-mail: fblibrary2017@gmail.com
Curbside Hours: Monday 2-6; Saturday 10-2

Did you know?

There is no cost to earn your high school degree.

RSU 24 Adult Education
1888 US Hwy 1, Sullivan · adultedinfo@rsu24.org · www.rsu24.maineadulted.org
207-422-4794
Greetings from RSU #24,

I hope this email finds you enjoying the summer weather. With the month of July, we typically are working to fill positions, purchase the necessary supplies and complete maintenance and capital improvement projects for the upcoming school year. However, with the pandemic, in addition to that work, we are working diligently to plan for the beginning of school in late August. The challenge with this work is that we are planning for a great deal of unknowns. The guidance that we receive and the messages that we receive from the state and national government are mixed and have become somewhat politicized.

At the Board meeting on July 16, we presented our latest plan for student reentry back into school. A video of this proposal can be viewed on our Facebook page and website at www.rsu24.org. Please keep in mind that the situation that we are dealing with is very fluid and that we may have to change our plans several times before school starts. If you are a parent of an RSU student, please contact your child's Principal with any questions or comments regarding the start of school.

On July 14, the district voters approved our budget for the 2020-2021 school year. Many thanks for your continued support! Please know that the pandemic will impact our budget as we take the necessary precautions to make sure our students and staff are safe. Whether personal protective equipment, safety measures taken to modify the buses or schools, or resources needed to support the social and emotional needs of our students and staff, there will be additional expenses. We will begin the new fiscal year with an increased scrutiny of every budget purchase that we make with the hopes of offsetting the unanticipated expenses.

On July 16, we received our final approval from the Maine State Board of Education to move ahead with the new building project to replace Sumner Memorial High School. This final milestone puts in place a pretty aggressive timeline to breaking ground. Over the next six weeks, bids will be solicited from large-scale contractors and a choice made for the builder of the new facility that will house Sumner Memorial High School and Sumner Middle School. We expect to break ground shortly after Labor Day.

The District Services Facility is open to the public by appointment. You can call (207)422-2017 or email superintendent@rsu24.org to schedule your appointment. If you have any questions or comments, please don't hesitate to contact me at meastman@rsu24.org. I hope that you and your family remain healthy and well.

Sincerely,

Michael Eastman, Superintendent
