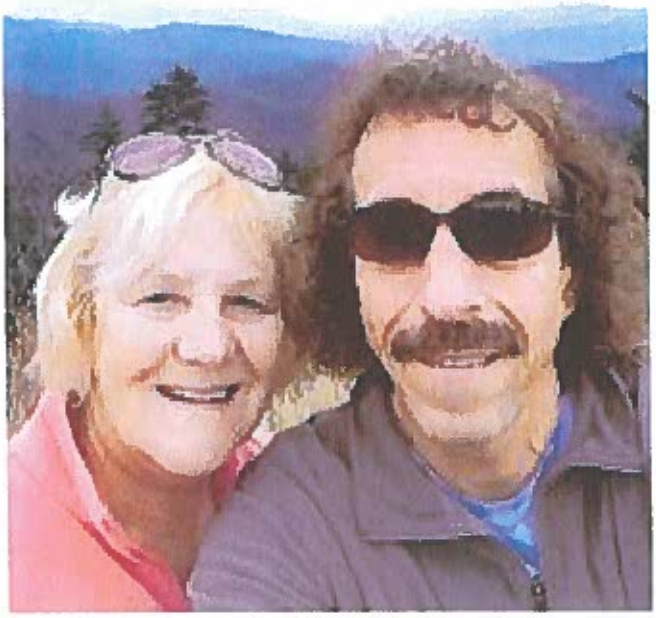
2019 Sullivan Annual Report

Cover Photo

We are proud of our Summer 2020 graduates, our teachers, students and families have faced unforeseen challenges and battled Covid-19 with determination. The Town of Sullivan was proud to honor and celebrate our Sullivan Graduates.

Sullivan Dedicates this 2019 Annual Report to Rob and Candy Eaton



Rob, thank you for all you have accomplished as the very first Sullivan Town Manager. Candy, thank you for taking charge of and implementing Sullivan's Age Friendly Committee and your assistance and hard work with numerous other Sullivan related tasks.

Both Rob and Candy are kind, compassionate and helpful. Both of them donate their time and efforts to the Town of Sullivan.

Rob and Candy do wonderful things for the people and town they love. Rob and Candy we are thankful for you and your commitment to Sullivan. This is our small town way to say.....

THANK YOU

FOR ALL YOU DO

ROB AND CANDY!

June 8, 2020

Dear Rob,

Please accept a sincere and heartfelt thank you from the Selectmen and the Town for all that you have accomplished as the very first Sullivan Town Manager.

Your many accomplishments have impacted a large cross section of the Town in many positive ways. Activities such as the Rt 1 clean-up, the Memorial Day ceremony, the Sullivan Daze and the Flags Across American support have been initiated or improved by your tireless efforts and excellent organizational skills. Day-to-day business at the Sullivan Town Office has evolved immeasurably under your leadership by introducing credit card billing, improved accounting practices, pro-actively updating Town policies, procedures and ordinances and improved recycling to name a few.

Fortunately for the Town of Sullivan, your wife Candy became a critical contributor to many Town activities especially the Age Friendly Committee that began as a promising idea and developed into an important community activity supported by external grants. Age Friendly has become an official Town Committee with the established community garden, information, training and exercise programs and state/regional recognition.

The Town of Sullivan carefully adopted the Town Manager form of Government and you were the perfect candidate for the job. Be certain that the Town of Sullivan appreciates your contributions to the Town as Town Manager, and we look forward to your continued contributions in the future.

Sincerely,

Rusty Gordon

Health & Human Services Committee
Ranking Member

Dear Friends and Neighbors:

First, let me thank you for electing me to represent you in Augusta. I am honored to serve you in the Maine Senate. I worked hard this legislative session so that Maine becomes an even better place to live, work and raise a family.

The 129th Legislature had many issues before it including funding our schools, providing property tax relief, and ensuring affordable access to prescription medications. Though we were able to accomplish a great deal, ultimately, the 2nd session was cut short due to COVID-19 with the legislature adjourning on March 17th.

Since adjournment, I have been working diligently to assist constituents with the difficulties they face because of COVID-19, namely, unemployment. Thousands of hard-working Mainers found themselves unemployed, through no fault of their own, essentially overnight. Though no person could have foreseen this crisis, the Department of Labor has continued to struggle to process claims in a timely manner for months. As a representative of the people, I find this to be extremely concerning, and urge those still experiencing difficulties to contact me so that I may attempt to assist.

As we continue to navigate these uncharted waters, I encourage everyone to do their best to be kind to one another and help each other get through this pandemic. As small businesses reopen, please consider shopping local and eating out at your favorite local spot. Now, more than ever, our small businesses need our support. With fewer tourists visiting Downeast, many local shop and restaurant owners will struggle to stay afloat. Do what you can to help get them through this time, because without them, our entire community will suffer.

Finally, I hope everyone stays safe during this time and takes advantage of the resources still available to them. If you or someone you know is struggling with mental health, drug addiction, or domestic violence, there are places you can call and people willing to listen. Though the world may feel out of control right now, good people are still hard at work doing what they can to help others.

Thank you again for trusting me to represent you in Augusta. Please feel free to contact me at 287-1505 or Marianne.Moore@legislature.maine.gov if you have comments, questions or would like assistance in navigating our state's bureaucracy.

Sincerely,

Marianne Moore

Dear Friends,

I hope this letter finds you well. As I am settling into my new role as your representative, I wanted to give you an update on what we are doing in D.C. and in Maine this year.

My first priority is to be accessible to you and to our communities, which is why I have opened offices throughout the Second District at the following locations:

- **Caribou Office:** 7 Hatch Drive, Suite 230, Caribou ME 04736. Phone: 207) 492-6009
- **Lewiston Office:** 179 Lisbon Street, Lewiston ME 04240. Phone: (207) 241-6767
- **Bangor Office:** 6 State Street, Bangor ME 04401. Phone: (207) 249-7400

My team and I are here to serve you, so please come meet my staff, voice an opinion, inform us of local events, or seek assistance with federal benefits. I come home to Maine every weekend to hear from you and see what's happening in our communities. I appreciate you keeping us informed.

This year, I was proud to be appointed to the House Armed Services and Small Business Committees. On Armed Services, I'm using my experience serving in Iraq and Afghanistan to make sure our servicemembers have the resources and training they need to succeed and keep us safe. Within Armed Services, I was assigned to the Seapower Subcommittee, where I am fighting for our shipyard jobs and making sure our military can count on Bath-built ships for generations to come. Beyond Bath, I will advocate for the entire network of good Maine jobs that support our troops, equipping them to carry out their duties reliably and safely.

Maine would just not be the same without our small, family-owned businesses. On the Small Business Committee, I am working to ensure our small businesses have the tools to grow, look out for their workers, and provide more good jobs to people all over Maine. Within the Small Business Committee, I was honored to be appointed Chairman of the Subcommittee on Contracting and Infrastructure. With this position, I am highlighting the need for infrastructure investment and fighting to level the playing field when small businesses compete for federal contracts.

One thing I love about Maine is that we help each other out. Whether it's ensuring a job well done or lending a hand to a neighbor, I know you are strengthening our communities every day. I am proud to serve alongside you and look forward to all that we will accomplish together.

My wife Isobel and I wish you and your family happiness, health, and success in the year to come.

Sincerely,

Jared F Golden

January 2020

Dear Friends and Neighbors,

The 129th Legislature completed its' first regular session last June. Governor Mills and solid Democrat majorities in the House and Senate, produced a two-year state budget that is close to $1 billion more than former Governor Paul R. LePage's last budget. It is 11% higher and spends 99.995% of all available monies. By relying on one-time monies that are not available in future years, I believe this budget will not be sustainable without taxes being raised in the future. I firmly oppose any tax increases!

I have several concerns about this budget, its long-term impact on family budgets and on local property taxes. A budget was passed that spent nearly 100% of tax revenue, and kicked the can down the road on infrastructure by funding the roads with another bond. I opposed the budget and the bonds. Despite this, Governor Mills seems prepared to introduce another supplemental budget somewhere in the range of $100-$200 million. This spending is irresponsible, not only for growth, but also for the questionable priorities within it. I worked hard with my colleagues on both sides of the aisle to fund nursing homes, and provide beds for Maine citizens with behavioral disabilities. Despite my efforts, and others like me, these issues were ignored again. I am also concerned that by mandating $40,000 minimum teacher salaries (a worthy goal), without providing enough money to help local school districts to pay for it, homeowners will ultimately see higher property taxes.

We all agree that local property taxes are already too high. Having voted against the budget, I appreciate that my fellow Republicans on the Appropriations Committee were able to get some property tax relief. The budget allocates an additional $75 million, some of which will go directly to homeowners by increasing the Homestead Exemption to $25,000. I am glad to see us heading in the right direction and will work to see the Homestead Exemption expanded even more. I never want to see one Mainer have their home taken from them because they can't afford to pay their property taxes!

The budget also provides relief to nearly 13,000 low-income taxpayers, expanding eligibility for the Property Tax Fairness Credit. I am committed to trying to prevent your taxes from going up. This is especially true now that the government is taking in record amounts of money due to the strong economy. I might add, an economy resulting from conservative tax and fiscal policies.

I welcome your thoughts and suggestions on issues that matter to you. It is an honor and privilege to be your State Representative. Please call me anytime at phone at **460-6967**or email at William.Faulkingham@legislature.maine.gov to keep me updated on those concerns. If you would like to be added to my email update list, you can do so by emailing me directly with your request.

Sincerely,

Billy Bob Faulkingham
State Representative

COMMITTEES
SPECIAL COMMITTEE ON AGING
CHAIRMAN
APPROPRIATIONS
HEALTH, EDUCATION, LABOR, AND PENSIONS
SELECT COMMITTEE ON INTELLIGENCE

Dear Friends,

As 2019 ends and 2020 begins, I am pleased to report that Congress made progress on a number of issues important to Maine families despite the polarization in our country.

In a major win for surviving military and retiree spouses to whom we are deeply indebted, I was proud to co-lead the repeal of what is often referred to as the "Military Widow's Tax," an unfair offset of survivor benefits that has prevented as many as 67,000 surviving spouses—including more than 260 from Maine—from receiving the full benefits they deserve.

The high cost of health care and prescription drugs continues to be a top issue for families and seniors. To provide continued relief for more lower- and middle-income individuals, I led the charge to extend for another two years the medical expense tax deduction that I included in the 2017 tax law. Without this extension, nearly 20,000 Mainers and millions of Americans with high medical expenses, including many with preexisting conditions, would have faced an increased tax burden. In other good news, the CREATES Act I cosponsored became law. It will prevent pharmaceutical companies from blocking access to a sufficient supply of brand-name drugs needed for the studies that allow less expensive alternatives to enter the marketplace.

Improving people's health and wellbeing remains my priority. On a per capita basis, Maine has the highest incidence of Lyme disease in the country. In August, I held a Senate hearing at the University of Maine's Tick Lab on this growing public health crisis. A comprehensive public health strategy to combat this epidemic is needed, and the new law I authored will do just that.

In addition, I helped champion another $2.6 billion increase for the National Institutes of Health, our nation's premiere biomedical research institution, including significant boosts for Alzheimer's disease and diabetes research. Last year, NIH funded more than $111 million for research at 14 Maine institutions.

To help prepare the graduates of Maine Maritime Academy, I secured $300 million for a new training ship, which will ensure rigorous instruction for MMA students for decades to come.

Significant federal funding was approved for work at Bath Iron Works and Portsmouth Naval Shipyard. Funding appropriated by Congress will pay for three new destroyers, make a down payment on an additional ship, and finance infrastructure improvements at PNSY.

As Chairman of the Transportation and Housing Appropriations Subcommittee, I have led efforts to improve our nation's crumbling infrastructure and ensure that Maine's housing needs are addressed. For Maine's roads, bridges, airports, and seaports, tens of millions in federal funding will help make urgently needed upgrades and improve safety. Funding will also support housing assistance to low-income families and seniors and aid communities in reducing homelessness among our youth. The Community Development Block Grant program will assist numerous towns and cities in our State.

The Aging Committee I chair has continued its focus on financial security for our seniors. A new law I authored will make it easier for small businesses to offer retirement plans to their employees. Our Aging Committee's Fraud Hotline fielded more than 1,200 calls this year. Congress passed a new law to crack down on robocallers who are often the perpetrators of these scams. And a new law I authored will expand the IRS' Identity Protection PIN program nationwide to prevent identity theft tax refund fraud.

At the end of 2019, I cast my 7,262nd consecutive vote. In the New Year, I will keep working to deliver bipartisan solutions to the challenges facing Maine and the nation. If ever I can be of assistance to you, please contact one of my state offices or visit my website at www.collins.senate.gov. May 2020 be a good year for you, your family, your community, and our state.

Sincerely,

Susan M Collins

Susan M. Collins, United States Senator

Dear Friends,

As I travel Maine, I hear from people who live in every corner of our state. I hear about their achievements, their successes, their work to improve their communities – I hear about the hope they have for our state. I also hear about our challenges, and all the work we have left to do. As I see it, that's my job: to listen to you, act where I can to build on what's good, and work on the tough parts. As 2018 comes to a close, I wanted to take a moment to share an update on some of the work we're doing in Washington to lift up the accomplishments of Maine people and make progress on the challenges they face.

From Portland to Presque Isle, from Milo to Camden, I hear about the pain that the opioid epidemic is inflicting on Maine communities. I've met with Maine people in recovery, family members of those struggling with substance use disorders, treatment providers, and law enforcement officials to learn about their experiences with this terrible disease, and everyone agrees that in order to fully respond to these problems, we need a stronger federal effort to end the opioid epidemic. Fortunately, some help is on the way – in October, we overwhelmingly passed a sweeping, bipartisan opioids bill. I've pushed hard for this type of legislation and was proud to have provisions I've advocated for included in the bill. These priorities have been guided by the voices of Maine people, and we'll keep working to confront this tragic problem.

I've also worked to strengthen the future of our forest economy. Maine's forests have powered our state's economy for generations, especially in our rural communities. So, when rapid shifts in the market led to the closure of many pulp and paper mills and biomass power plants, it required a collaborative approach to support future growth in this important industry. That's why, together with the other members of the state's Congressional delegation, I pushed to establish the Economic Development Assessment Team (EDAT). This integrated, multiagency effort aims to foster innovation and commercialization in Maine's forest economy, and we're already seeing the benefits: in recent months, several forest industry businesses have announced significant investments into Maine operations, and in September 2018, the Forest Opportunity Roadmap (FOR)/Maine released an action plan to make sure this industry, and the rural communities it supports, can continue to thrive for generations to come.

As I close this letter, please allow me to express my gratitude to each of you – for your dedication to our state, and to one another. It's often said that Maine is like a big small town (with very long streets)— that's because at our heart, we're one big community. It's not only a pleasure to serve you– it's a pleasure to know you. Thank you for being the reason Maine is so special. Mary and I hope that 2019 will be a good year for you, your family, your community, and our great State.

Best,

Angus S. King, Jr.

Angus S. King
United States Senator

Board of Selectmen Report

August 2020

First and foremost, a heart-felt Thank You to our first Town Manager, Rob Eaton, for his dedicated and enthusiastic service. Rob navigated expected and totally unanticipated situations with his consistent and forward-looking approach and was one of the best advocates for the Town of Sullivan. Rob finished his planned 3-year commitment after making many positive changes to Town ordinances, policies and procedures, and was the driving force for the exemplary response to our COVID-19 response maintaining Town operations while at the same time protecting the safety of Town employees and citizens. We look forward to Rob's continued involvement in the Town.

The summary of this past fiscal year – July 1, 2019 through June 30, 2020 – can be summarized in one word – HELP! The COVID-19 put our lives on hold and consumed our thoughts since January. The highlights of the year were events that did not happen – the Bicentennial Reenactment and our Town Meeting to mention only two. Other events became more complicated – registrations at the Town Office and Selectman meetings on Zoom. Our Town response to the COVID crisis became a model for other towns. Our office never closed but restrictions were necessarily imposed. Sullivan residents continued to have access to Town Office personnel, not face-to-face for a while, and were able to accomplish most if not all required business.

We established a Town Manager Search Committee in May hoping to hire someone by the end of Rob's tenure. Our efforts focused on a couple of candidates from Sullivan resulting in a decision to hire our very capable Town Clerk, Stacy Tozier. Stacy started a week before the end of the FY and settled quickly into the Town Manager position.

Our budget revenues are expected to suffer in this COVID environment which caused us to dedicate attention to our Town expenses, expected revenues and the large number of Reserve Accounts which have been established over the years to address specific planned expenditures.

We worked closely with our Finance Committee who deserve special thanks this year for supporting more planning meetings than normal. Budget discussion with our Fire Department Chief and assistants allowed us to establish an improved approach for next year to compensate Fire Fighters for their dedicated service, to improve our EMS capability and to plan for future capital expenditures. Our dedicated Town Fire and Rescue Personnel will be better able to fully cover events, hire additional volunteers and continue to improve performance. We are lucky to have such dedicated staff!

The Town continues to improve infrastructure in many ways. A few notable areas include road and culvert repair, cemetery maintenance, transfer station improvements, Harbor facility upgrades and Town Office building improvements. Volunteers are involved in most of these efforts and deserve credit for their excellent contributions. Two volunteers earned special note: Candy Eaton worked tirelessly over this year keeping Age Friendly Sullivan active and managing our Selectman meeting Zoom calls; and Don Snoke investigated the status of internet coverage in Sullivan and discovered limitations on only a few streets which allows residents to greatly improve their internet access. Thank you to both Candy and Don for dedicated service to the Town.

The Town of Sullivan is a great place to live, work and recreate, and we the Board thank all of the citizens in Town for supporting our continued efforts to improve infrastructure, offer additional services and improve communication to all citizens of Sullivan.

P.S. Due to the delay in the holding the Town Meeting until September, two other notable events need mentioning although occurring after the end of the FY. The first is hiring a very capable Town Clerk to replace Stacy Tozier. Deana Workman started as Town Clerk in July. Deana brings a wealth of experience and immediately contributed to the Town Office. Please continue to give Deana a warm welcome! The second item is the cancelation of the Sullivan Daze for 2020 – another casualty of COVID-19. Many of us missed the fun day of activities and raffles, the Grand Marshall, contributions to the Fire and Rescue Department and amazing fireworks which have become a highlight of August for the Town.

Respectively submitted,

The Board of Selectmen

Rusty Gordon, Chairman

Raymond Daley

Roger Wakefield

S-SHS 2019 in Review

2019 was a typical year for the Society. While we were not able to make as much progress on our major projects as I would have liked, we continued to offer quality programs and aid members and interested researchers in learning about local history and solve some of their family mysteries. Some of those activities included:

Scheduled hours for the Archive and museum through the summer. We do not have scheduled hours the rest of the year but will gladly schedule a time to meet you there for research,

Four well attended programs:

June – An Nguyen, a former intern and doctoral candidate at the University of Maine on Wednesday presented the program *Vietnam: Beyond A War. A presentation on the country, it's people and history.*

July - Sarah Redmond, founder of Springtide Seaweed, LLC in South Gouldsboro introduced the audience to the growing of and nutritional value of seaweeds. She also provide some of her products.

August - For this program we spent a relaxing summer evening at the Granite Garden on Whalesback road with Obadiah Buell. After we had a picnic next to the quarry pond Obie talked about his family history on the property and the businesses that he and his brother are now involved with. One project is a newly formed non-profit, The Granit Art Garden, that has been formed to preserve and provide educational opportunities about the granite industry and organic gardening.

November – The Program was "A Few Seconds With Our Fathers". Curt Bessette and Jenn Kurtz presented a musical tribute to their WWII veteran fathers. The program included favorite songs of the era and original works of a more personal nature. The program was presented as collaboration with Frenchman's Bay Library.

Research – Our volunteers answered many inquiries from all over about local and family history.

Collaboration: S-SHS partners with the Schoodic By-way committee, our neighboring historical societies, Downeast and Acadia Tourism, Sumner High School and other organizations on programs and projects.

Local Business- We will provide local businesses with photos and information that may be of interest to their customers.

Gordon's Wharf

Gordon's Wharf continues to be well used and appreciated by those who use the facilities there. Some work was planned for last year that has not been completed. There is money to complete that work and make needed repairs to the road and the stream crossing.

The interactive exhibit/play area themed to tell the history of the local granite industry is very popular for both local folks and visitors alike.

The Friends of Taunton Bay Education Center has numerous educational programs throughout the year on the environment and history of the bay. They also make the facility available for local meetings. A local aquaculture business leases the basement.

Management of the site is now under the supervision of the Harbor Committee.

/s/ Gary Edwards, volunteer- ex project manager

Sullivan Sorrento Playground

The play area continues to be used constantly and is a real benefit to area citizens and visitors.

The Playground Committee is basically nonexistent, leaving no volunteers to help with maintenance. The safety surface was replaced last summer by a volunteer. Some minor repairs were done by volunteers this spring. The basketball hoops need some repair.

Please remember as users to carry out your refuse and report any problems to the town office in Sullivan. Also, there are items for sale at the office that generate operating revenue for the facility. Bottles may be taken to TT's redemption and donated to the playground to help with upkeep.

What is left of the committee is encouraging the Town to develop a plan to maintain this facility as well as other town properties.

?s/ Gary Edwards

Frenchman Bay Regional Shellfish Ordinance

The seven community collaboration that works under State law to improve the local shellfish industry continues it's work to provide more and better habitat in which to harvest, which leads to more opportunity for local harvesters to earn a living. Conservation work continues, including a system of closing areas to assure a good harvest both summer and winter.

/s/ Gary Edwards, Representative to the Municipal Joint Board

Cemetery Committee

The Town's Cemetery Committee has been inactive for some time. Recent interest, precipitated by and number of concerns by family members of those interred, has prompted some members of the Historical Society to approach the Town about re-vitalizing the committee. The committee would be made up of interested citizens, and representatives of any private cemetery, who want to work with the town to develop a management and maintenance system to protect this important historical and genealogical asset.

/s/ Jeanne Edwards, committee member and Gary Edwards, S-SHS President

Welcome to Age-Friendly Sullivan

Again, THANK YOU to the many volunteers in Sullivan who are working together to create a more livable community for residents and visitors of all ages. Our 5 year Action Plan is posted to the website www.sullivanmaine.org on our page.

- Transportation: Our partnership with Friends in Action provides volunteer drivers for homebound residents to access medical appointments, food shopping and other social activities.
- Housing: Age-Friendly has purchased 25 smoke / carbon monoxide detectors which have a 10 year lithium battery. The Town continues to provide winter sand buckets for older residents and residents with mobility challenges.
- Social Participation: Our monthly meetings (held on the first Wednesday of each month) are informative, have a guest speaker and offer a potluck lunch.
- Communication & Information: All publications are available through the Age-Friendly Sullivan page on the sullivanmaine.org website. Printed Resource Guides are available through the Town Office and Library.
- Community Health & Support Services: "Bone Builders" is lead by two local volunteers with 15 participants meeting twice a week to exercise and create new friendships. *Save the Date* for our 3rd Annual Health & Wellness Resource Fair to be held at the Recreation Center on September 25th with 20+ vendors providing health screenings, flu shots, and wellness advice. In collaboration with EAAA, participants in the Senior Commodity Food Program participants receive a monthly delivery.
- Outdoor Spaces & Buildings: Thank you to Maine Community Foundation and the New England Grass Roots Fund for your grant support to build our new organic Community Garden. We are grateful for our volunteers who built the raised beds, fences, planted, weeded, watered and harvested delicious veggies. The Town provided a "Take It or Leave It" table for shared produce with special appreciation to Ron & Marie Simons, as they provided multiple cases of produce at the end of the season.
- Respect & Social Inclusion: Circle of Friends is our newest program to reach out to all Sullivan residents. We encourage residents to share their telephone number with neighbors for emergencies and friendship.

Let's make Sullivan an Age-Friendly / Livable Community for ALL.

Warmest Wishes, Candy Eaton, Coordinator
Age-Friendly Sullivan USA

Frenchman's Bay Library
PO Box 215
Sullivan, ME 04664

March 2020

Dear Sullivan Residents,

We thank the residents of Sullivan for the continued support to the Frenchman's Bay Library. Because of this support, we are able to provide patrons the following services.

- Pajama Story Time is held the first Monday of each month at 6:00 PM. Children may also read to our visiting canine Dolly.
- The Book Club meets the 3rd Monday of each month at 2 PM.
- Knitters group and Writing Group meet every other Saturdays 10 to 12.
- Indoor Walking was added Monday evenings at 5 PM. Walkers exercise in the hall for one hour and during better weather they move outside.
- Tai Chi on Tuesdays.

We have partnered with Adult Ed to offer indoor walking sessions on Monday nites 5 to 6, Tuesday and Thursday at 1:00pm.
Five computers are available for public use and two are Mac.

Our fundraisers were: Souper-Chili Lunch, Cabin Fever Book Sale, Pie Sale and Silent Auction and our annual Book and Bake Sale.

Some of the programs we have offered this past year include, Stories of our Fathers in cooperation with the Sorrento Sullivan Historical Society; Pop up Grocery store to reinforce getting the most for your food dollars, Tax Preparation assistance; Book talk by local authors John and Marlene Daley, Susan Shetterly and Laurel Huber. A presentation by Hawk Henries on Music and flutes. Trash Talk from Fiberight. H.O.M.E. of Orland gave a presentation on hunger and homelessness in Hancock county. We collected and donated school supplies to our local schools. We collaborate with the thrift store and maintain a small food pantry. We collect food for fines and donate the food to our pantry.

We provide fiction and non-fiction, audio books and DVD's and participate in the Inter-library Loan Program and have been added to the Maine State Library Van delivery program which expedites borrowing books from other libraries. We no longer collect fines for overdue books and instead collect food for our local food pantry in lieu of fines. As a member of the Maine State Library we have access to the Digital Maine Library which has thousands of magazines, newspapers and reference books. This also includes a new genealogy site called Heritage quest and the complete collection of Chiltons Manuals and can be accessed from your home computer.

The support of the residents of Sullivan allow us to offer these programs free to the public or by donation. Over half of our 350 Patrons are from the Town of Sullivan. We know times are difficult for everyone. We hope the residents of Sullivan will again approve an allocation of $4,000 so we can offer newer services in the coming year. Thank you.

Sincerely,

Cynthia Stanley, Library Administrator
Christina McGowan, Librarian

Report of the Board of Appeals for the Town of Sullivan for 2019

The Board of Appeals Committee was not required to meeting for 2019. There being no need to meet, there is no report necessary.

Robert M. Phillips, Chairman

Town of Sullivan 2019 Annual Report for the Planning Board

Planning Board Members: Chairman – Clyde Lewis, Vice Chairman – Elliot Daley, Secretary – Marie Zwicker. Members: Robert Johnson, Robert Scott, Jack Hornberger and Mike Witz.

The Planning Board again met only as needed in 2019 to handle permits and other requests within shore land zoning areas. Most activity has been around the shores of Flanders Pond. We also acted on a request to abandonment of a subdivision that was approved in 2007 and never was a lot sold from it. The board voted in favor of abandonment. All other permit requests were handled by our code enforcement officer Rebecca Albright.

Respectfully,
Clyde Lewis

Harbor Master Report for 2019

The Harbors in Sullivan saw more use in 2019, with a few additional moorings added in Sullivan Harbor. We have secured parking at the Church in Sullivan Harbor to accommodate the boaters with trailers as there isn't enough room to park on the road in front of the ramp. We are looking to purchase a porter potty to place at the ramp in Sullivan Harbor.

The Town Landing in Flanders Bay was busy again this year as the Gonk opened to clamming, it wasn't as busy as 2018 but it saw a fair amount of boats being launched. We are looking to make improvements to the landing at Flanders Bay.

We had one fatal accident in Sullivan involving two clam diggers in a canoe, the canoe capsized, and one of the diggers perished.

It is important to remember that if you are boating for recreation or work, it is imperative that you pay close attention to the conditions as they can change in a few moments without any notice.

With that being said, I would like to wish everyone a safe boating season for 2020.

Submitted by Harbor Master,
Michael A. Pinkham

Harbor Committee 2019 Annual Report

The Harbor Committee held two meetings during 2019, one on March 28th and the other November 14th, both held at the Town Office.

The Committee is working on projects at Sullivan Harbor, Flanders Bay, Gordon's Wharf and Flanders Pond. The Harbor Ordinance was updated and approved at the Town Meeting in June including changes to Harbor Master jurisdiction for Inland Waters, renaming Houseboats to included Floating Houses and adding two new Articles to cover Winter Moorings and restricted mooring locations around Gordon's Wharf. Harbor Use Fees were consolidated and published for distribution at the Town Office. Facility improvements included repair of lighting at the Sullivan Harbor ramp, adding a Porta Potty at the Town Landing and reaching agreement with the Sullivan Baptist Church to provide overflow parking in front of the Church on a non-interference basis.

The Committee agreed to maintain the Gordon's Wharf float and ramp. The ramp attachment to granite blocks was improved with the assistance of Gib and Obey Buell. Other work is needed on the ramp itself and the float mooring attachments.

The Committee interviewed and approved an oyster/clam license to Paul Savoy who will operate in Flanders Bay near Schieffelen Point. The application was signed by the Harbor Master prior to submission to the State.

The Committee has established a Harbor/Ramp Reserve Account from mooring and use fees received and plans to utilize some of the Reserve to accomplish improvements at Flanders Bay landing supplemented by a State grant.

Sullivan Harbors and Flanders Pond usage continue to increase, and the Committee looks forward to completing some on-going and new projects during 2020.

Respectively submitted,

Roger Wakefield, Chairman

Michael Pinkham, Harbor Master

TOWN OF SULLIVAN CODE OFFICER BUILDING AND PLUMBING REPORT

Greetings Citizens of Sullivan. The following is a list of the building and plumbing permits I have issued within the past year by category. If you ever need to get in touch with me, please contact anyone at the Town Office and I will get right back to you.

August 11, 2020

2019-2020 Annual Report

The Board of Directors wish to again thank the voters of taxpayers of the Towns of Sullivan & Sorrento, for their generous support for the past fiscal year.

Due to the Cornavirus-19 Pandemic, things have been slow at the Rec Center. The Rec Center will be getting a new stove for the kitchen and building improvements continue to be made.

The "Thrift Store" is still a big success. Donations are gladly accepted. Thank you to Gail and all the volunteers who help out!

Board members are Kristine & John Guyton, Mary Ellen Jones, Helen D. Gordon, Andrea St. George Jones, Don Snoke of Sullivan and Judy High, Linda Andrews and Timothy Guyette of Sorrento.

Helen D. Gordon
President, Board of Directors

PS: If anyone is interested in serving on the Board of Directors, please contact us at 422-3134 and ask for Helen.

Sullivan Fire Rescue 2019 Annual Report

On behalf of the men and women of Sullivan Fire/Rescue, it is my pleasure to present the 2019 Annual Report. I wish to express my thanks and gratitude to the extremely dedicated personnel of Sullivan Fire Rescue. These devoted individuals continue to meet the demands of delivering the highest quality services possible in a competent and professional manner. It is gratifying to watch our staff work through these challenges and continue to excel in the performance of their duties and responsibilities. Personnel at all levels within the agency perform with flexibility, proficiency, and excellence.

Sullivan Fire/Rescue strives to remain ready to answer any call of need. For that reason, we continually provide a wide range of services including fire suppression, rescue, emergency medical services, public education, as well as the protection of life, property and the environment. Sullivan Fire Rescue responded to 182 calls for the calendar year of 2019. 85% of those calls for service were medical in nature.

As you can see from the call numbers above, the majority of the emergency calls Sullivan Fire/Rescue responds to are medical related. As mentioned in last year's report, our department purchased a lightly used ambulance in 2018 with the goal that our department could transition from a non-transporting first responder type EMS system to a full transporting service. We are pleased to announce that as of July of 2019, Sullivan Fire Rescue is a fully licensed transporting ambulance service. Since we have become licensed to transport, our department has transported several patients to the hospital in their time of need. Currently, Sullivan Fire Rescue acts as a backup to the primary ambulance service that the Town contracts with. This means that in the event that service is not able to respond, our crew would then conduct the transport. We feel it is important to have this capability to ensure that the residents and visitors of our community have access to an ambulance when needed. To date, this operational model is working well. Sullivan Fire Rescue is continually monitoring the level of service we provide and will continue to improve that service as required based on the needs of the community at any given time.

Currently Sullivan Fire/Rescue has 12 members. Members attended over 800 hours of training and education in 2019. This does not include the combined over 400 hours our dedicated crew spent responding to emergency calls. This is all time spent away from their primary places of employment and their families. All of the members sacrifice this time to serve the Town of Sullivan with pride.

This year, you will notice a new proposal within our budget. This proposal will allow our department to pay two members to be on-call eight hours a night seven nights a week. Each of these members will be paid $4.03 per hour for the eight hours. That is a total of $64.48 a night. With our roster continuing to decrease in numbers, we are finding it more challenging to adequately cover calls for service. This proposal will put a qualified firefighter and EMT on

S.F.R
Sullivan Fire/Rescue
1888 U.S Highway 1
Sullivan, ME 04664
(207) 422-3220

duty each night that would respond to all calls for service during those eight hours. The primary goals of this proposal are the following: allow for better recruitment and retention among our members, allow for our members to be safer when responding to calls where two people would be responding opposed to just one member, and to provide and overall better service to our community. It has always been our goal to provide the best service possible and we feel this proposal will help us accomplish that goal. We understand that these are challenging times for everyone. Our department is facing its own challenges of being able to adequately cover emergency calls due to our limited manpower. This on-call program will help mitigate those challenges. Sullivan Fire Rescue asks for your support of this proposal at the Town Meeting to ensure we are ready to respond in your time of need.

In closing, I would like to thank the members of Sullivan Fire Rescue and their families for their dedication to our organization. We feel very fortunate to have a community, a Board of Selectmen, and a Town Manager that supports our mission to deliver the highest quality of emergency services possible. As we look toward 2020, Sullivan Fire Rescue will continue to adapt to ever-changing times and will remain dedicated to serving the residents, businesses, and visitors to promote the health, safety, and well-being of our community.

Respectfully submitted,

Benjamin W, Gilley
Fire Chief
Sullivan Fire Rescue

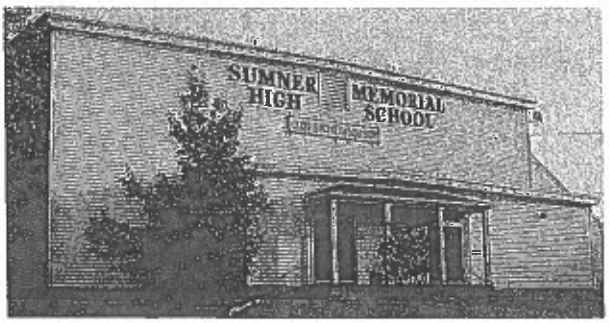
Regional School Unit 24

As Superintendent for Regional School Unit #24, it is my pleasure to submit this annual update to the Sullivan community. Please find below, information that you may find helpful in understanding our school district.

RSU #24 serves children in nine Hancock County and Washington County communities. The district provides the educational services for five schools and 986 students including general administration, centralized business services, food service, transportation, technology support and integration, and special education programming. Regional School Unit #24 employs 235 local citizens in a full range of professional and support positions. State funding is determined by the Essential Programs and Services formula and bases state aid on local property valuations and the number of resident students. RSU 24 received $2,840,888 in state funding for the present fiscal year accounting for 16.7% of our $17,015,039 fiscal year 2020 budget. The town of Sullivan contributed 16.8% of the local cost of education, as is also determined by student population and property valuation. In addition to these sources, the district receives federal funding for several categories of services and also takes every opportunity to apply for grant funding to supplement educational programming.

RSU 24 provides for the education of 157 students who reside in Sullivan. Fifty-six secondary students attend Sumner Memorial High School. Eight of these secondary students also attend Hancock County Technical Center for part of each day. The Mountain View School enrolls 99 Sullivan students in grades pre-kindergarten through eight. One Sullivan student attends another RSU school and 1 Sullivan student attends school in a neighboring district.

The new school project to replace Sumner Memorial High School is on track for a September 2020 groundbreaking. We feel blessed and fortunate to be in this position and are excited for the opportunity this provides for our students in grades 6-12. An ad hoc committee was formed to recommend a name for the new facility and the RSU #24 Board of Directors accepted the committee's recommendation of the Charles M. Sumner Learning Campus home of Sumner Memorial High School and Sumner Middle School. In addition, another ad hoc committee for fundraising was formed. Named the Friends of Sumner's Future Fundraising Committee, the group is charged with fundraising $1,000,000 to help offset building project expenses that are not covered by the state. For the latest information on the new building project, go to the RSU website (www.rsu24.org) and click on the New Building Project link to get the latest building project information.



Please know that your community is well-represented by Andrea St. George Jones, an RSU Board member since July of 2019. Ms. St. George Jones is currently serving on the Educational Programming Committee & the Policy Committee. Ms. St. George Jones' current three-year term runs through June of 2022.

Thank you for your continued support of our students. If you have any questions or comments, please don't hesitate to contact me at (207)422-2017 or meastman@rsu24.org .

Michael Eastman, Superintendent RSU #24

ANNUAL REPORT OF SCHOODIC NATIONAL SCENIC BYWAY

THE CORRIDOR MANAGEMENT COMMITTEE OF THE SCHOODIC NATIONAL SCENIC BYWAY IS DELIGHTED TO REPORT OUR ACCOMPLISHMENTS FOR 2019 AND PLANS FOR 2020.

WINTER HARBOR WILL SEE A NEW HISTORIC SIGN DOWNTOWN AT THE NEW BIKE-PED HUB. THE BIKE REPAIR STATION HAS BEEN INSTALLED.

A SECOND ANNUAL KID QUEST OPEN HOUSE WAS HELD FOR LOCAL FAMILIES AND TOURIST. MUCH PROGRESS HAS BEEN MADE INTHE KID QUEST BROCHURE AND EXPECT IT TO BE COMPLETED IN 2020.

COMMITTEE MEMBERS WERE EXCITED TO WORK WITH SUMNER PATHWAY STUDENTS IN TRASH REMOVAL OF A MUCH NEEDED AREA BY HOG BAY. SPONSORED BY FBC. WE THANK THOSE STUDENTS AND TEACHERS FOR THEIR SERVICES. WE LOOK FORWARD TO FUTURE PROJECTS WITH THE PATHWAY STUDENTS AT SUMNER HIGH SCHOOL.

MEMBERS OF THE BYWAY SUCCESSFULLY REACHED OUT TO THE REGIONAL SCHOOLS FOR EDUCATIONAL BUS TRIPS TO BYWAY SITES, FBC TRAILS, MUSEUMS AND FISHERIES. BUS TRIPS WERE PROVIDED TO THE AFTER SCHOOL PROGRAM AT THE HANCOCK GRAMMAR SCHOOL FOR 2019-2020.

MAINE DOT AND LANDOWNERS MET AND DEVELOPED A PLAN IN 2019 TO KEEP THE VIEWS OPEN AT THE POPULAR FRENCHMEN'S BAY SCENIC TURN OUT IN SULLIVAN. THE KNOT WEED BEHIND THE WALKWAY OF SCENIC TURN OUT WILL BE UNDER CONTROL BY 2020.

THE BYWAY COMMITTEE MEMBERS ARE APPLYING FOR THE MAINE BICENTENNIAL GRANT IN 2020. WE HOPE TO PROMOTE EACH BYWAY TOWN'S COMMEMORATIONS OF THE BICENTENNIAL. AS WELL AS PROMOTING STORIES OF MAINE LOCALS UTILIZING RESOURCES IN OUR REGION. THROUGH PODCAST AND TECHNOLOGY.

WE WILL CONTINUE TO LOOK FOR GRANTS THAT WILL IMPROVE AND PRESERVE OUR SCENIC BYWAY. NEXT FOCUS WILL BE ON CLIMATE CHANGE, TRASH & PLASTICS IN OUR OCEANS.

WE THANK THOSE MUNICIPALITIES WHO HAVE CONTRIBUTED TO THE BYWAY AND HOPE THAT YOU WILL AGAIN SUPPORT US TO ENHANCE SCHOOL OUTREACH, MATCH START AND FEDERAL GRANTS.

WE THANK THE SELECT BOARDS, PLANNING BOARDS, STATE, FEDERAL AND FOUNDATION GRANTS, HISTORIC SOCIETIES, CHAMBER OF COMMERCES, MAINE COAST HERITAGE TRUST, FRIENDS OF TAUNTON BAY, FRENCHMAN BAY CONSERVANCY AND OTHER ORGANIZATIONS FOR THEIR SUPPORT. WE THANK DOWNEAST WASHINGTON COUNTY COUNCIL OF GOVERNMENT, MAINE DEPARTMENT OF TRANSPORTATION AND ACADIA NATIONAL PARK FOR THEIR TECHNICAL SUPPORT.

THE SCHOODIC NATIONAL SCENIC BYWAY CORRIDOR COMMITTEE IS A COLLABORATION OF HANCOCK, SULLIVAN, SORRENTO, GOULDSBORO, WINTER HARBOR AND ACADIA NATIONAL PARK. AREA RESIDENTS ARE ALWAYS WELCOME TO ATTEND BYWAY MEETINGS.

RESPECTFULLY SUBMITTED,

BARBARA SHANAHAN
CHAIRPERSON

THE WARRANT
SECRET BALLOT ELECTION AND
TOWN MEETING WARRANT
MONDAY, JUNE 24, 2019

HANCOCK, S.S STATE OF MAINE

To Rob Eaton, a resident of the Town of Sullivan, in the County of Hancock.

GREETINGS:

In the name of the State of Maine, you are hereby required to notify and warn the voters of the Town of Sullivan in said county, qualified by law to vote in town affairs, to meet at the **Sullivan Town Office in said town on Monday, June 24, 2019 at 1:00 in the afternoon** , then and there to act on Articles 1 and 2, and then warn and notify voters that **Town Meeting is at 7 pm at the Sorrento/Sullivan Rec. Center on Monday, June 24, 2019** then and there to act on articles 3 through 51, all of said articles being set out below, to wit:

Article

1. To elect a moderator to preside at said meeting. **Lynn Dunbar (Moderator at General Election), appointed Peter Drinkwater at Town Meeting.**

2. To elect by secret ballot the following officers for the ensuing year:
   A. One selectman/assessor/overseer of the poor for 3 years. **Roger Wakefield—38, Becky Sutherland-1 (write in), David Webb, Sr-1 (write in).**

   B. One RSU #24 School Committee Member for 3 years. **Andrea St. George Jones-44.**

3. To choose a budget committee. **Same current committee members.**

4. To instruct the Selectmen to appoint all other Town Officials. **So voted.**

5. To elect a Trustee for the York Hill Cemetery for 3 years. (Helen Gordon's term is up). **Selectmen will appoint this position, after posting the Trustee's duties in the Town Crier.** ***So voted.***

6. To see if the Inhabitants of the Town of Sullivan will vote to authorize the Selectmen on behalf of the town to dispose of any real estate acquired by the Town for nonpayment of taxes thereon, except shorefront property for which a public hearing would be held prior to being sold, on such terms as they may deem advisable and to execute municipal quitclaim deeds for such property. The Selectmen have the power to authorize redemption and reserve the right to accept or reject any or all bids. **So voted.**

7. To see if the town will vote to authorize the Selectmen to accept on behalf of the town, unconditional gifts of property and/or donations that they feel are in the towns best interest to accept. **So voted.**

8. To see if the town will vote to authorize the Selectmen to dispose of town owned personal property under such terms and conditions, as they deem advisable. **So voted.**

9. To see if the town will vote to authorize the Selectmen and Treasurer to issue interest bearing negotiable promissory notes issued for Capital Improvements of the town and for the purpose of funding or refunding certain notes of the town now due or to become due during the Municipal 2019-2020 year and to fix a time within that said securities are to become due. **So voted.**

10. To see if the citizens of Sullivan will vote to extend the **2% discount** on 2019 Tax Bills if paid in full within 90 days of commitment. The Budget Committee recommends a no vote. **A NO vote.**

11. To see if the citizens of Sullivan will vote to pay for the 2% discount provided for early payment of property taxes. (Explanation: The Selectmen, as Assessors, are authorized to raise Overlay under Title 36 MRSA, Section 710, but require voter authorization to spend Overlay.) Overlay can't be more than 5% of the Tax Commitment. The Budget Committment recommends a no vote. **A NO vote.**

12. To see if the Town will vote that the 2019 taxes will be due on and payable to the Tax Collector as soon as the Tax Collector received the warrant, and to charge **9% per annum interest** on all unpaid taxes commencing **120 days** after the commitment date. **So voted.**

13. To see if the citizens of Sullivan will vote to pay for Tax Abatements from Overlay. (Explanation: The Selectmen, as Assessors, are authorized to raise Overlay under Title 36 MRSA, Section 710, but require voter authorization to spend Overlay.) Overlay can't be more than 5% of the Tax Commitment. **So voted.**

14. To see if the town will vote to authorize the tax collector to accept prepayment of taxes and to vote to pay **0%** interest on said prepayments. **So voted.**

15. To see if the town will vote to approve undesignated tax payments to be applied to personal property taxes, if applicable, then to the oldest tax bills. **So voted.**

16. To see if the Town will vote to amend the Harbor Management Ordinance. The amendments are shown in the Harbor Management Ordinance handout available at the Town Office and at the Town Meeting. All proposed changes in Red colored ink. The Harbor Committee recommends approval. **So voted.**

17. To see if the Town will vote to amend the Solid Waste Disposal Ordinance handout available at the Town Office and the Town Meeting. All proposed changes are in Red colored ink. The Selectmen recommend approval. **So voted.**

18. To see if the Town will vote to allow the Selectmen to enter into a binding agreement to purchase a 2.6 acre parcel on 1758 US Highway 1 (Map 002-Lot 005) for the purpose of future construction of a Fire Station/Town Office and to authorize an expenditure of $20,000 from the Capital Improvement/Fire Suppression Fund to secure a low-interest 3 year fixed loan for the $85,000 balance. If approved, the Selectmen will only enter an agreement for purchase when it has been determined that soil and construction conditions are satisfactory for the Town of Sullivan to proceed. The owners have reduced the price to $105,000 to the Town of Sullivan. **So voted.**

19. To see if the town will vote to authorize the Municipal Officers to spend any miscellaneous departmental revenues received during 2019/2020 within the same dept. **So voted.**

20. To see if the town will vote to have unexpended balances and overdrafts in all accounts at the end of the fiscal year, except those, which remain by law or are deemed necessary by the Municipal Officers, transferred to unappropriated surplus. **So voted.**

21. To see if the town will vote to raise and appropriate the sum of $30,000.00, and allocate fees collected to the operation of the transfer station and transportation of refuse. The Budget Committee recommends approval. **So voted.**

22. To see if the town will vote to appropriate from surplus $15,000.00 and vote to expend rental income for the operating and upkeep of the Municipal Building. The Budget Committee recommends approval. **So voted.**

23. To see if the town will vote to raise and appropriate the sum of $15,000.00 for a Fire Dept.

Capital Reserve account. The Budget Committee recommends approval. **So voted.**

24. To see if the town will vote to raise and appropriate the sum of $30,000.00 for a Fire Truck reserve account. The Budget Committee recommends approval. **So voted.**

25. To see if the town will vote to appropriate $75,000.00 from the paving reserve account and $40,000.00 from LRAP (funds provided by the State) for the purpose of completing paving on a .25 mile area of the Ashville Road and 150-200 feet of the Taunton Drive entrance at US Highway 1. Any funds not expended on these projects would be utilized to pave culvert replacement areas and smaller road repairs of holes or broken edges on our town roads. The Budget Committee recommends approval. **So voted.**

26. To see if the town will raise $50,000 for transfer to a Reserve Fund pursuant to Section 5801 (3) of Title 30-A, to enable the town to continue its normal operation and to mitigate future tax increases, which sum shall only be expended upon further authorization of the voters of the town. The Budget Committee and Board of Selectmen recommends approval. **So voted.**

27. To see what sum the town will vote to raise or appropriate for the following accounts: The Budget Committee recommends approval. **So voted.**

A.	Administration	Raise	$	65,050.00
B.	Officer's Salaries	Raise	$	147,251.00
